# **Let's Play Ball!**

*By Elizabeth Clarke*

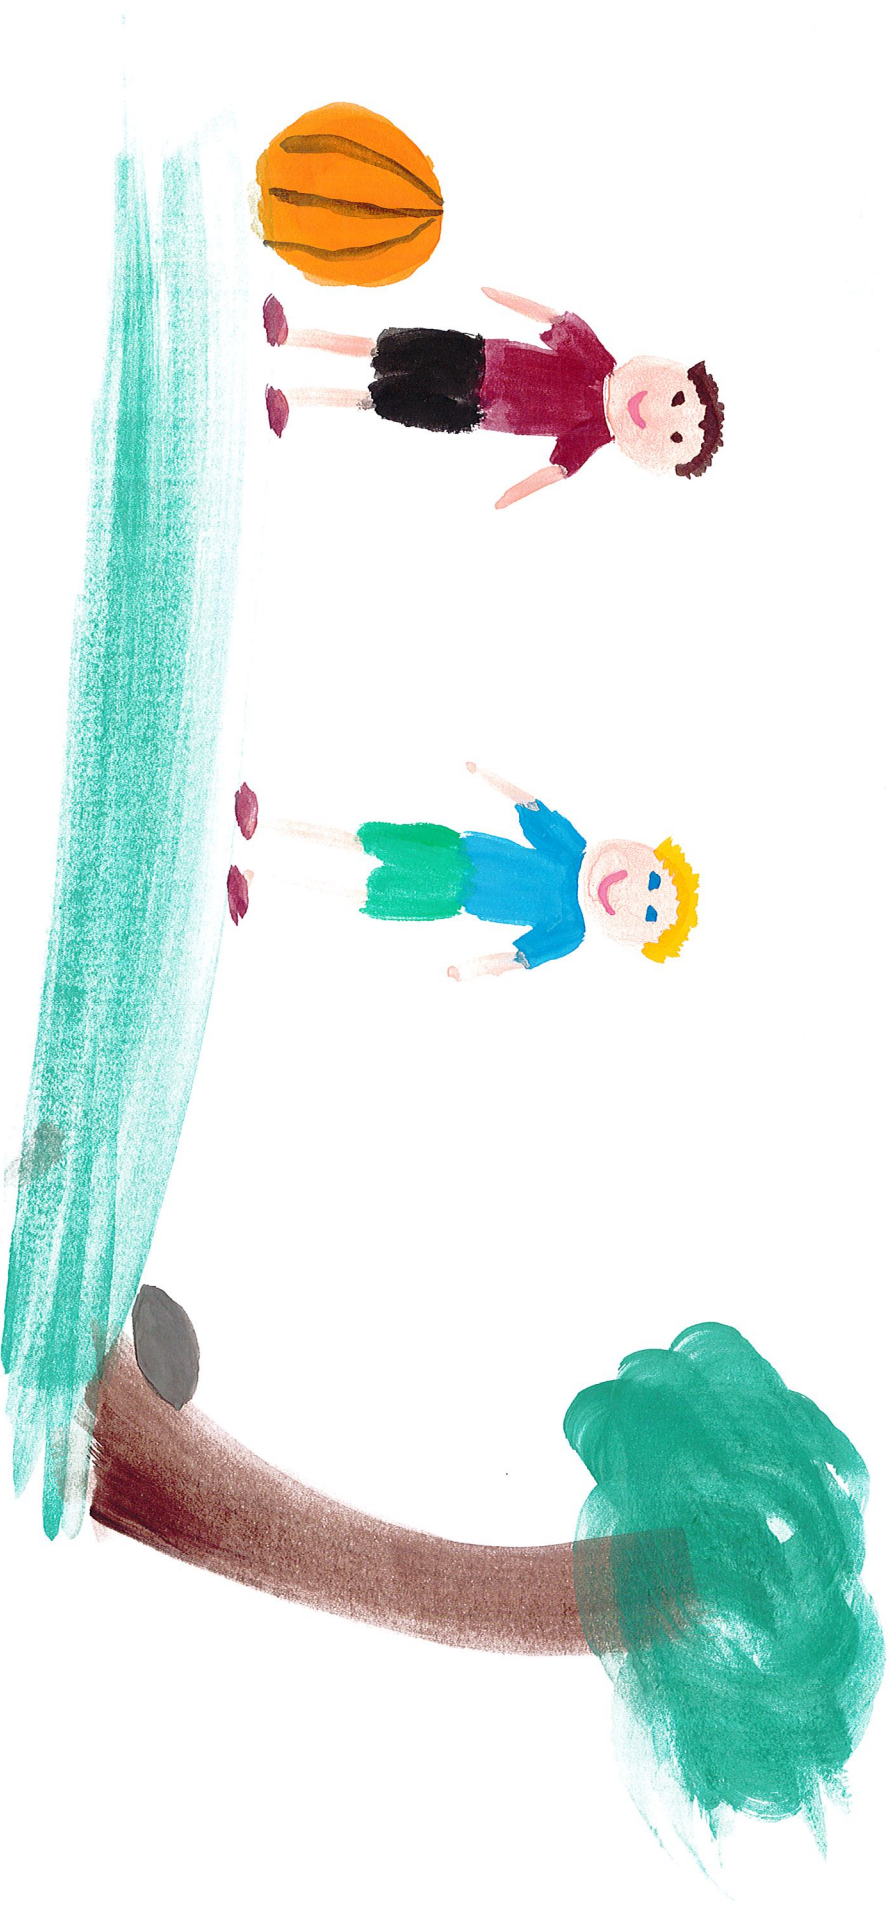

**Where should we play?**

**Let's play over there.**

Which game should we play?

Let's play ball!

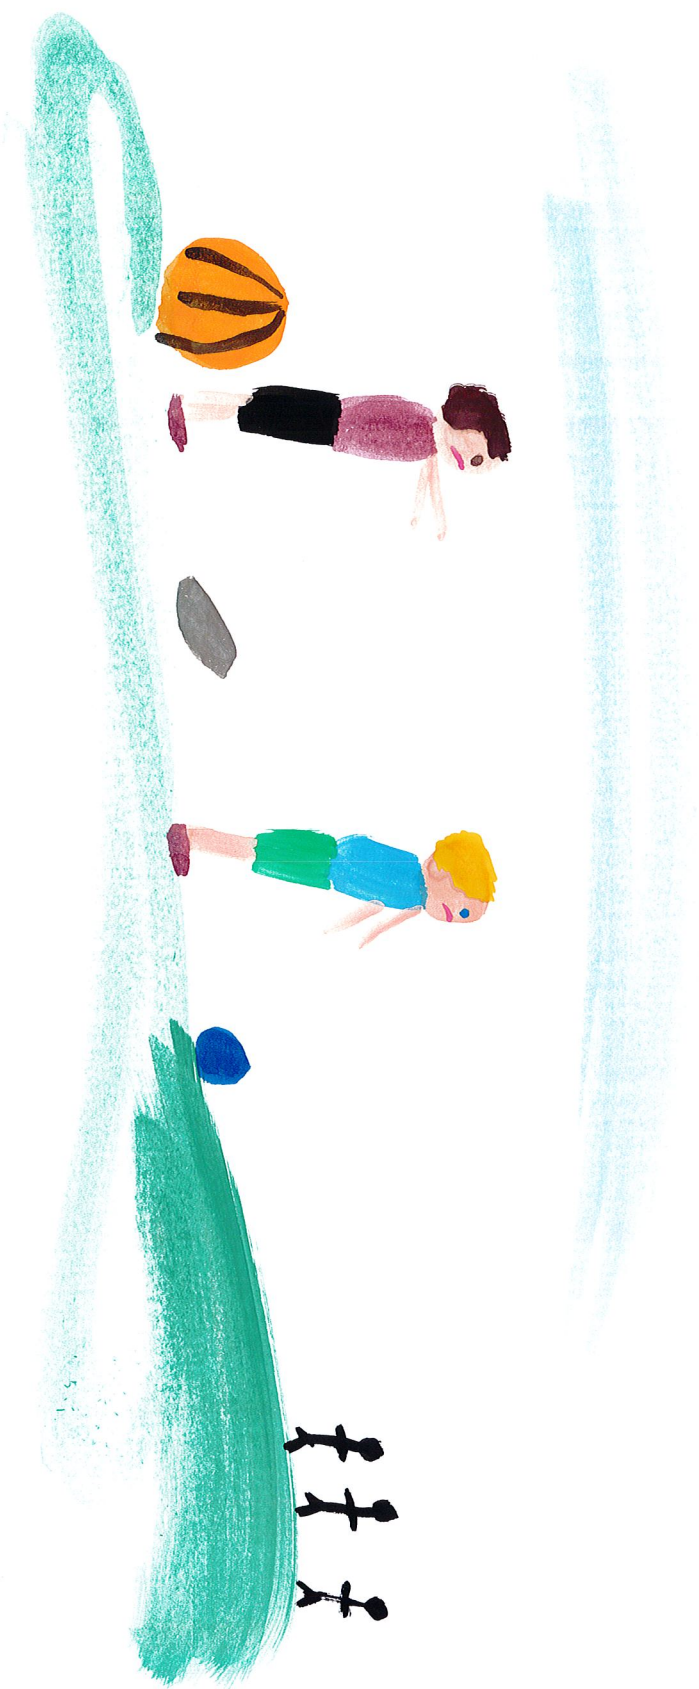

I could get my big ball. It's right here.  
I could get my little ball. It's just there.

I want more balls!

Let's look for other balls!

How about this one?

That is their ball. Put it down before  
they see.

Let's play before the bell rings. You go first!
